

Flex Field Installation Technician

About The Motz Group:

For over 45 years, The Motz Group has been building fields and building futures. Our dedicated team is committed to leaving a lasting legacy with every sports field we create. We are high-performance turf specialists, focusing on field design, construction, removal, replacement, maintenance and management. Motz has made our name designing innovative and comprehensive performance-based sports field systems, tailored to the customer's specific needs. We build fields from inception to completion with pride, professionalism, and the utmost integrity.

About the Position:

Ready to push yourself and discover what you're made of? As a Flex Field Installation Technician, you'll be making an impact within your community and helping to build an athletic field between October 2023 and January 2024. At The Motz Group, we are driven and passionate about delivering high performance turf athletic fields. Our priority is our people and championship quality is our promise. We push boundaries to ensure we are reliable and remarkable. If you're tough, driven, relentless and looking to constantly evolve then you're in the right place. Our boots on the ground experience is a great way to prepare yourself for future opportunities in any industry. We will train you on the trade, we just need someone who is dedicated to the cause. Do you have what it takes?
