Henry Plumbing Co., Inc. has been serving Savannah since 1968 and we are looking for you to join our team.

Hiring - Plumbing Helper/Apprentice

Position Summary

A Plumbing Helper/Apprentice assists lead plumbers with residential and commercial plumbing projects. This entry-level position is designed for individuals who are dependable, willing to learn, and able to perform physically demanding work in a fast-paced construction and service environment. The Plumbing Helper/Apprentice plays an important role in maintaining a safe, efficient job site while supporting the plumbing team.

Essential Duties and Responsibilities

- Assist plumbers with installation, repair, and maintenance of plumbing systems.
- Load, unload, organize, and transport tools, materials, and equipment to job sites.
- Dig trenches and assist with excavation as needed.
- Cut, measure, and prepare pipe and fittings.
- Maintain a clean, organized, and safe work environment.
- Operate basic hand and power tools under supervision.
- Follow all company safety policies, OSHA regulations, and job site requirements.
- Assist with lifting, carrying, and positioning plumbing fixtures and equipment.
- Clean work areas upon completion of each job.
- Stock service vehicles and maintain inventory of commonly used materials.
- Communicate professionally with coworkers, supervisors, contractors, and customers.
- Perform other duties as assigned.

Qualifications

- Previous construction or plumbing experience is helpful but not required.
- Strong work ethic with a willingness to learn.
- Ability to follow verbal and written instructions.
- Dependable attendance and punctuality are required.
- Must be able to work independently as well as part of a team.
- Basic mechanical aptitude and tool knowledge preferred.

Physical Requirements

This position requires frequent physical activity, including:

- Lifting and carrying up to 75 pounds regularly.
- Standing, walking, bending, kneeling, squatting, and crawling for extended periods.
- Climbing ladders and working on roofs, scaffolding, or elevated surfaces.
- Working in attics, crawl spaces, trenches, and confined spaces.
- Operating hand tools, power tools, and small machinery.
- Working outdoors in varying weather conditions, including heat, cold, and rain.
- Manual dexterity and good hand-eye coordination.

Driver Requirements

- Valid driver's license is a plus.

Advancement Opportunities

Henry Plumbing encourages career growth. Plumbing Helpers who demonstrate strong performance, dependability, and a commitment to learning may have opportunities to advance into a Plumbing Apprentice position through additional training and experience.
