HIRING NOW MATERIALS MANAGER

📍 STATESBORO, GA | Full-Time

Are you an experienced supply chain professional ready to take the next step in your career?

Briggs & Stratton is looking for a Materials Manager to oversee materials management, inventory control, purchasing, production scheduling, and supply chain operations in a manufacturing environment.

KEY RESPONSIBILITIES

- Lead demand planning, forecasting, and supply planning to ensure product availability.
- Manage inventory levels, purchasing, logistics, and warehousing.
- Oversee production scheduling to meet customer demand.
- Monitor supply chain performance and identify opportunities for improvement.
- Lead, coach, and develop team members.
- Collaborate with departments to support production goals and minimize disruptions.

YOU'RE A GREAT FIT IF YOU HAVE

- Excellent organization and record-keeping skills.
- A keen eye for discrepancies and disruptions.
- A problem-solver.

PREFERRED QUALIFICATIONS

- SAP or other ERP system experience.
- Experience in a high-volume manufacturing environment.
- APICS Certified in Production and Inventory Management (CPIM).
- Six Sigma Black Belt certification.

REQUIRED QUALIFICATIONS

- Bachelor's degree in Supply Chain Management or a related field.
- 7 years of experience in supply chain management.
- Thorough knowledge of manufacturing, distribution, inventory, and quality procedures and management programs and systems.
- Strong analytical skills and the ability to make critical decisions.
- Excellent written and verbal communication and interpersonal skills.
- Proficient with ERP systems, Google, and MS Office applications.
- Fluent in English and primary language used in area of responsibility and/or location.
