ACC ATLANTIC
COMMERCIAL CONSTRUCTION

COMMERCIAL CONSTRUCTION TECHNICIAN

Atlantic Commercial Construction (ACC) is seeking a dependable and skilled Commercial Construction Technician to join our team. This position involves a variety of construction tasks on commercial and industrial projects, including concrete, carpentry, general construction, and maintenance work. The ideal candidate has a strong work ethic, takes pride in their work, can complete smaller jobs independently, and represents ACC in a professional manner.

KEY RESPONSIBILITIES

- Perform a variety of construction and maintenance tasks on commercial and industrial projects.
- Use hand and power tools safely and effectively.
- Complete smaller jobs independently and work as part of a team on larger projects.
- Ensure quality workmanship and maintain high standards.
- Maintain a safe and organized job site.
- Load and unload materials, tools, and equipment.
- Properly maintain and organize tools, supplies, and company assets.
- Conduct yourself in a professional manner as a company representative.
- Demonstrate good communication, time management, and problem-solving skills.
- Additional duties as assigned.

QUALIFICATIONS

- Minimum 2 years of construction experience (commercial/industrial preferred).
- Ability to effectively and professionally communicate.
- Ability to lift at least 50 pounds on a regular basis.
- Experience with hand and power tools.
- Ability to clean or prepare construction sites to eliminate hazards.
- Must be punctual, dependable, and willing to work full-time (overtime is available).
- Must have a valid driver's license and reliable transportation.
- Must be able to pass a background screening for TWIC.
- Ability to execute job duties under stressful circumstances, such as last-minute deadlines or other challenging situations.

BENEFITS

- Health Insurance
- Dental Insurance
- Vision Insurance
- Paid Time Off
- 401(k)
